Independent Study for 2021-22

Until recently, we were not planning to offer Independent Study this school year. The state came out over the summer and mandated that schools must offer the program. There is a waiver that was filled out by us that if approved, would not require us to offer Independent Study. Part of the waiver is to make sure we know how many of our students and families would prefer Independent Study to on-campus instruction. If you are interested in Independent Study this school year, please call the office or email Mr. Walker at jwalker@lassenview.org. Our school phone number is 500-527-5162. The deadline for this request is this Friday, August 6th.

If our waiver is denied, Independent Study will not be taught by Lassen View staff. We will form a consortium with other school districts and the instruction will come from a teacher who oversees numerous schools. We will do everything to assist with convenience but instruction will not be aligned to the classrooms at our school.

Please call the school at 527-5162 if you have any questions.

Respectfully yours,

Jerry Walker
Superintendent
Lassen View Elementary School
